SUBJECT: Meeting of the Export Administration Review  
Board (EARB), April 25, 3:45 p.m., in the  
Secretary's Conference Room

As you have been previously notified, I will be convening a meeting of the Export Administration Review Board on April 25. There will be two items on the agenda for this meeting. They are: (1) a review of export control policy to the PRC and recommended changes in that policy; and (2) resolution of the Romanian Landsat (Daedalus Corporation) licensing cases. I am attaching a briefing paper on the Romanian case. I provided to you on March 29 a copy of my memorandum to Judge Clark outlining Commerce Department's analysis of the present PRC licensing policy and four policy options. I am also including copies of that memorandum plus attachments. These will be the main subject of our meeting on Monday.

Attendance should be limited to participants plus two. Please confirm your participation with Helen Robbins at 377-5283.
